

Providing the capability to support workgroup printing with a printer small enough to fit on a desktop

## IBM Infoprint 1222

---

### Highlights

---

- ***Delivers a fast first-page-out time to help increase productivity***
- ***Standard duplex allows printing on both sides of page***
- ***Helps lower your total cost of ownership***
- ***Offers features that support wireless technology and mobile computing***

### **Small footprint, big capabilities**

A low-cost printer with enclosed paper drawers and a very small footprint, the Infoprint® 1222 from IBM is a high-performance printer that is ideal for small workgroups and businesses; especially those with limited space. The Infoprint 1222 is a black-and-white laser printer that prints up to 22 pages per minute (ppm) and offers 300 dpi, 600 dpi and 1200 image quality resolution settings. Additionally, its 200 MHz processor enables fast processing of complex jobs and a first-page-out time of ten seconds<sup>1</sup> for quick turnaround and increased productivity.

### **Lowering the total cost of ownership**

With duplex paper handling as a standard feature, the Infoprint 1222 can help save paper costs, thereby enabling a lower total cost of printing. The only supply item for the Infoprint 1222 is a toner cartridge, which is available in a high-yield version to help you minimize costly interventions and lost time due to supply outages. Print darkness settings on the Infoprint 1222 can help you save as much as 50 percent on toner usage to further increase the time between supply replacements and help save money. Additionally, IBM offers a cartridge return program to help keep supply costs low. Included with the Infoprint 1222, the MarkVision print management tool, which offers proactive, realtime monitoring and a simple user interface, can help you lower printer management costs.

### **Enabling mobile computing and wireless technology**

New wireless printing solutions for the Infoprint 1222 are designed to meet the needs of businesses large and small. Bluetooth technology lets you print to

the Infoprint 1222 from PCs, handheld devices and mobile phones, and offers built-in authentication and encryption technology for secure data transfer. Wireless Ethernet can enable wireless connectivity to local area network (LAN) resources including servers, printers, PCs and laptops.

<b>IBM Infoprint 1222 at a glance</b> For expanded specifications visit: <a href="http://ibm.com/printers/1222">ibm.com/printers/1222</a>	
<b>Maximum speed (up to)</b>	22 ppm letter, 21 ppm A4
<b>First-page-out time</b>	10 seconds
<b>Technology/processor</b>	Monochrome laser/200 MHz
<b>Maximum monthly usage<sup>2</sup></b>	50,000 pages
<b>Print resolution</b>	300 dpi, 600 dpi, 1200 image quality
<b>Models</b>	1222d 1222dn
<b>Memory (std/max)</b>	16/272 MB (d) 32/288 MB (dn)
<b>Paper handling</b>	
Standard/max input capacity	350/850 sheets
Standard output capacity	170 sheets
<b>Printer attachments</b>	
Standard	USB port, bidirectional parallel port (d) USB port, bidirectional parallel port and Ethernet 10BaseT/100BaseTX (dn)
Optional	Ethernet, Token-Ring, Serial, Wireless Ethernet (802.11b), Bluetooth <sup>3</sup>
<b>Standard datastreams</b>	PCL 6, PostScript <sup>®</sup> 3 and PPDS
<b>Application solution</b>	Optra Forms
<b>Physical characteristics<sup>4</sup></b>	16" (W) x 16.7" (D) x 10" (H)
<b>Weight</b>	30.3 lbs (13.8kg)
<b>Toner yield<sup>5</sup></b>	5,000-page-yield toner cartridge ships with printer. 5,000-page-yield and 10,000-page high-yield toner cartridges available.
<b>Cost-saving features</b>	10 levels of print darkness settings offer up to 50% toner savings; IBM return program cartridges; standard duplex printing.
<b>Warranty</b>	One year, Depot Exchange (upgrades are available) For more information, see <a href="http://ibm.com/support/warranties/us">ibm.com/support/warranties/us</a>

<sup>1</sup> Actual first-page-out time may vary based on job complexity and other factors.

<sup>2</sup> IBM does not recommend printing this monthly maximum on a consistent basis.

<sup>3</sup> Available via third party.

<sup>4</sup> Height does not include base pads (0.15").

<sup>5</sup> Assumes 5% toner coverage per page. Toner yields are provided for planning purposes and are not a guarantee of minimum life; actual yields may vary.
